

Italian Medley

arranged for the London Mandolin Ensemble by A D Boden - 2016

A fairly simple arrangement.

I have moved the tune around between mandolins and mandola to give each part some interest.

The guitar part is mainly simple chords to provide a rhythmic accompaniment.

Speeds -

Mazurka - Crotchet = 160

Santa Lucia - Crotchet = 105

Tarantella - Dotted crotchet = 120

I've added a few scarlet ribbons to Santa Lucia ! (mandola part)

Tremolo in Santa Lucia can be quite slow (semiquavers)
